**WORK THAT TELLS.**  
 The Kind Mansfield Readers Appreciate.

To thoroughly know the virtues of a medicine you must investigate its work. Doan's Kidney Pills stand this test, and plenty of proof exists right here in this locality. People who testified years ago to relief from backache, kidney and urinary disorders, now give confirmed testimony—declare the results have lasted. Can any Mansfield sufferer longer doubt the evidence?

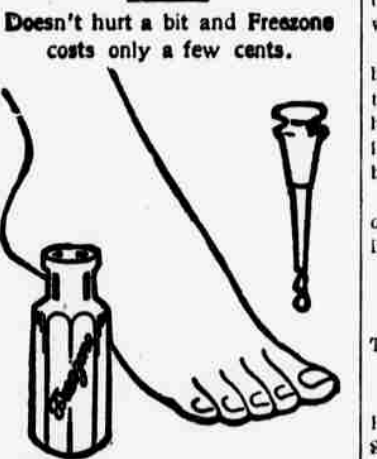

Mrs. Mary Rawson, Houston, Mo., says: "I had rheumatic pains in my shoulders and neck and there were terrible pains in my back. When I tried to straighten after stooping, sharp twinges caught me in my loins and my kidneys didn't do their work as they should. Doan's Kidney Pills were so highly recommended by my neighbors that I tried them and they relieved me."

OVER FOUR YEARS LATER Mrs. Rawson said: "My back and kidneys have been in good condition ever since Doan's Kidney Pills cured me of kidney complaint. They are certainly a grand kidney medicine and I am only too glad to again recommend them."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Rawson had. Foster-McBurn Co., Mfgs., Buffalo, N. Y.—Adv.

**Lift off Corns!**  
 Doesn't hurt a bit and Frezzone costs only a few cents.

With your fingers! You can lift off any hard corn, soft corn, or corn between toes, and the hard skin calluses from bottom of feet.

A tiny bottle of "Frezzone" costs little at any drug store; apply a few drops upon the corn or callus. Instantly it stops hurting, then shortly you lift that bothersome corn or callus right off, root and all, without one bit of pain or soreness. Truly! No humbug!

**GRANDMA NEVER LET HER HAIR GET GRAY**

She Kept Her Locks Dark and Glossy, with Sage Tea and Sulphur.

When you darken your hair with Sage Tea and Sulphur, no one can tell because it's done so naturally, as evenly. Preparing this mixture, though, at home is messy and troublesome. At little cost you can buy at any drug store the ready-to-use preparation, improved by the addition of other ingredients called "Wyeth's Sage and Sulphur Compound." You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time. By morning all gray hair disappears, and, after another application or two, your hair becomes beautifully darkened, glossy and luxuriant.

Gray, faded hair, though no disgrace, is a sign of old age, and as we all desire a youthful and attractive appearance, get busy at once with Wyeth's Sage and Sulphur Compound and look years younger. This ready-to-use preparation is a delightful toilet requisite and not a medicine. It is not intended for the cure, mitigation or prevention of disease.

This will be one of the greatest runs ever organized for "Good Roads" in Missouri. Col. W. H. Harvey the founder of the Ozark Trail Association will join us at Springfield with the enthusiastic Arkansas "Road Boosters."

Gov. F. D. Gardner, Mayor H. W. Kiel, the successful candidates for State offices, the Mayors of all cities and county officials along the route of the Ozark Trail will be invited to join us and many of them have already signified their desire to assist in this great "Good Roads" work.

An Ozark Trail Association will be organized in every County along the "Ozark Trail" and we should have several thousand automobiles in line on our entrance into Pittsburg October 6th.

Soliciting the aid of all citizens officials and newspapers who are in favor of good roads, I am,

Yours very truly,

**\$2.00 OUTSIDE THE STATE.**

Oct. 1 the subscription price of the Mansfield Mirror to subscribers living outside of the state of Missouri will be \$2 per year, payable in advance. This increase is necessitated by the general and steady soaring of the expenses incident to the newspaper business. "Going up" is the rule nowadays and print paper and other items are constantly on the increase. Subscribers outside of the state may renew before that date for as long a time as they desire at the present price of \$1.50, but on and after Oct. 1 the \$2 will be strictly observed. Renew now and save 50c.

**COURSE FOR FARMERS GIVEN IN "OFF" SEASON.**

Columbia, Mo., Sept. 28.—Wright county has furnished six of the more than three thousand former students of the two-year winter course in agriculture at the University of Missouri, according to the free descriptive bulletin issued this fall for the coming term, which opens November 1, 1920. The former students also represent thirty other states, ranging from one each for Alabama, California, Indiana, Maryland, New Jersey, Pennsylvania, South Carolina, Utah and West Virginia to seventy-five for Illinois. In addition, Brazil sent one; Canada one; Argentine Republic, one; Denmark, one; and Sanna, one.

The two-year Winter Course—or the Short Course as it is more familiarly known—covers the winter, the "off" period on the farm. The coming session will run from November 1 to Feb. 26, a second opportunity for entrance being allowed on January 3 for the last half of the work.

That the course is eminently practical is proved by the many testimonials received from former students some of which are published in the illustrated booklet now available. The only requirement for entrance is that the student must be at least 15 years old. The superintendent of short courses, College of Agriculture, Columbia, Mo., is in direct charge of the work.
